**RECOMMENDED ALL-SHARE MERGER OF PADDY POWER PLC
AND BETFAIR GROUP PLC**

Summary

- The Boards of Paddy Power plc (“**Paddy Power**”) and Betfair Group plc (“**Betfair**”) are pleased to announce that they have reached agreement on the terms of a recommended all-share merger of Paddy Power and Betfair, which is to be implemented by way of a scheme of arrangement of Betfair (the “**Merger**”).
- The merged entity, to be called “Paddy Power Betfair plc” (“**Paddy Power Betfair**”), will be one of the world’s largest public online betting and gaming companies by revenue with enlarged scale, capability and distinctive complementary brands.
- The Boards of Paddy Power and Betfair believe that the Merger has compelling strategic logic and represents an attractive opportunity for both Paddy Power and Betfair to enhance their position in online betting and gaming and to deliver synergies, customer benefits and shareholder value.
- **The Merger will result in Paddy Power Shareholders owning 52 per cent. of Paddy Power Betfair and Betfair Shareholders owning 48 per cent. of Paddy Power Betfair on a fully diluted basis taking into account existing share options and award schemes for both companies.**
- Under the terms of the Merger:

**Betfair Shareholders will be entitled to receive
0.4254 New Paddy Power Betfair Shares in exchange for each Betfair Share.**

- In addition, immediately prior to Completion, Paddy Power Shareholders will receive a special dividend of €80 million. The special dividend, which will be conditional upon Completion, will be paid to Paddy Power Shareholders on the register of members of Paddy Power at 6 p.m. on the business day prior to Completion.
- The Boards of Paddy Power and Betfair believe there is a compelling strategic rationale for the Merger:
 - enhanced scale and capabilities such that the Combined Group will be better placed to compete in existing and new markets;

- complementary products, channels and capabilities will give rise to revenue synergy opportunities through the ability of the Combined Group to offer new products and services to existing and new customers;
 - diversified group with strong platforms across online and retail in the UK and Ireland, and attractive international growth opportunities in Australia, the US and Continental Europe;
 - a dual brand strategy in Europe enabling the Combined Group to utilise more effectively the distinctive and complementary brands of Paddy Power and Betfair; and
 - cost synergies from efficiencies which reflect the complementary nature of the businesses.
- Opportunities for cost and revenue synergies have been identified which support the significant shareholder value creation opportunity of the Merger. The Boards of Paddy Power and Betfair believe that the Combined Group will be able to achieve recurring annual pre-tax cost synergies of approximately £50 million. It is expected that the benefit of the full level of identified synergies will be achieved in the third full year following Completion. The Boards of Paddy Power and Betfair also believe there is a significant opportunity for revenue synergies due to the ability of the Combined Group to offer new products and services to existing and new customers.
- Following Completion:
 - Gary McGann, Chairman of Paddy Power, will become the Chairman of Paddy Power Betfair;
 - Breon Corcoran, CEO of Betfair, will become CEO and an Executive Director of Paddy Power Betfair;
 - Andy McCue, CEO of Paddy Power, will become COO and an Executive Director of Paddy Power Betfair;
 - Alex Gersh, CFO of Betfair, will become CFO and an Executive Director of Paddy Power Betfair; and
 - in addition, Paddy Power Betfair's Board will include Non-Executive Directors nominated equally from each of Paddy Power and Betfair.
 - Paddy Power Betfair will be headquartered in Dublin and is expected to maintain a significant presence in both Ireland and the United Kingdom.
 - Paddy Power Betfair will have a premium listing on the London Stock Exchange and a secondary listing on the Irish Stock Exchange as an overseas company. It is expected that, following Completion, Paddy Power Betfair will be eligible for inclusion in the FTSE UK Index Series and in the Irish Stock Exchange Index Series.
 - The Boards of Paddy Power and Betfair have agreed to retain their current dividend policies for the period prior to Completion. Following the Merger and subject to the approval of the Paddy Power Betfair Board, Paddy Power Betfair intends to adopt a progressive dividend policy consistent with Paddy Power Betfair's enhanced growth strategy which balances returns to shareholders with the need to retain sufficient funds to drive growth. In setting its

initial dividend, it is expected that the Board of Paddy Power Betfair will target a payout ratio of approximately 50 per cent. of the Combined Group's profit after tax.

- The Betfair Directors, who have been so advised by Goldman Sachs as to the financial terms of the Merger, consider the terms of the Merger to be fair and reasonable. In providing its advice to the Betfair Directors, Goldman Sachs has taken into account the commercial assessments of the Betfair Directors. Goldman Sachs is providing independent financial advice to the Betfair Directors for the purposes of Rule 3 of the Code.
- Accordingly, the Betfair Directors intend unanimously to recommend that Betfair Shareholders vote in favour of the Scheme at the Court Meeting and other resolutions relating to the Merger to be proposed at the Betfair General Meeting, as the Betfair Directors who hold or are beneficially entitled to Betfair Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 256,221 Betfair Shares representing, in aggregate, approximately 0.276 per cent. of Betfair's ordinary share capital in issue on 7 September 2015 (being the latest practicable date prior to this Announcement).
- Given the current size of Betfair relative to the current size of Paddy Power, the Merger will be put to a vote of Paddy Power Shareholders as a class 1 transaction for the purposes of the Listing Rules. The Paddy Power Directors consider the Merger to be in the best interests of Paddy Power and the Paddy Power Shareholders as a whole and intend unanimously to recommend that Paddy Power Shareholders vote in favour of the Paddy Power Resolutions to be proposed at the Paddy Power General Meeting to approve the Merger and related matters, as the Paddy Power Directors who hold or are beneficially entitled to Paddy Power Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 404,442 Paddy Power Shares representing, in aggregate, approximately 0.918 per cent. of Paddy Power's ordinary share capital in issue on 7 September 2015 (being the latest practicable date prior to this Announcement).
- The Paddy Power Directors have received financial advice from Morgan Stanley and IBI Corporate Finance in relation to the Merger. In providing their advice to the Paddy Power Directors, Morgan Stanley and IBI Corporate Finance have relied upon the Paddy Power Directors' commercial assessments of the Merger.
- It is intended that the Merger will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006, further details of which are contained in the full text of this Announcement. However, Paddy Power reserves the right to implement the Merger by way of a Merger Offer, subject to the Takeover Panel's consent and the terms of the Co-operation Agreement.
- The Merger will be subject to the Conditions set out in Appendix I to this Announcement and in the Scheme Document. It is expected that the Merger will be completed during the first quarter of 2016. Further details of the Merger will be set out in the Scheme Document and the Paddy Power Circular which are expected to be sent to Betfair Shareholders and Paddy Power Shareholders (as applicable) in November 2015. An expected timetable of principal events will be included in the Scheme Document and the Paddy Power Circular. It is expected that the Paddy Power Betfair Prospectus containing information about the New Paddy Power Betfair Shares will be published at the same time as the Scheme Document and the Paddy Power Circular.

Commenting on the Merger, Gary McGann, Chairman of Paddy Power said:

“The merger of Paddy Power and Betfair will create a company of world class capability and people who will deliver substantial up-front synergies and a platform for very exciting business expansion.

The combination of Breon, Andy and their colleagues in this merger of equals comprises "the A team" in the business with the ambition to create a unique global player in a very dynamic industry."

Under the guidance of a strong and proven combined management team, this merger truly represents an attractive opportunity for both Paddy Power and Betfair to enhance their position in online betting and gaming and to deliver synergies, customer benefits and shareholder value."

FOR IMMEDIATE RELEASE

8 September 2015

**RECOMMENDED ALL-SHARE MERGER OF PADDY POWER PLC
AND BETFAIR GROUP PLC**

1. Introduction

Further to the announcement made by Paddy Power plc and Betfair Group plc on 26 August 2015, the Boards of Paddy Power and Betfair are pleased to announce that they have reached agreement on the terms of a recommended all-share merger of Paddy Power and Betfair.

It is proposed that the Merger will be effected by way of a Court-sanctioned scheme of arrangement of Betfair under Part 26 of the Companies Act. It is proposed that the merged entity will be called "Paddy Power Betfair plc".

2. The Merger

The Merger will result in Paddy Power Shareholders owning 52 per cent. of Paddy Power Betfair and Betfair Shareholders owning 48 per cent. of Paddy Power Betfair on a fully diluted basis taking into account existing share options and award schemes for both companies.

Under the terms of the Merger, which will be subject to the Conditions set out in Appendix I to this Announcement and the Scheme Document:

**Betfair Shareholders will be entitled to receive
0.4254 New Paddy Power Betfair Shares in exchange for each Betfair Share.**

In addition, immediately prior to Completion, Paddy Power Shareholders will receive a special dividend of €80 million. The special dividend, which will be conditional upon Completion, will be paid to Paddy Power Shareholders on the register of members of Paddy Power at 6 p.m. on the business day prior to Completion.

Paddy Power Betfair will be headquartered in Dublin and is expected to maintain a significant presence in both Ireland and the United Kingdom.

The New Paddy Power Betfair Shares will be issued credited as fully paid and will rank *pari passu* in all respects with Paddy Power ordinary shares in issue at the time the New Paddy Power Betfair Shares are issued pursuant to the Merger, including the right to receive and retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date.

Application will be made to the Irish Stock Exchange, the UK Listing Authority and the London Stock Exchange for the New Paddy Power Betfair Shares to be admitted to: (i) listing on the premium listing segment of the Official List of the FCA and to the secondary listing segment of the Official List of the Irish Stock Exchange as an overseas company; and (ii) trading on the London Stock Exchange's main market for listed securities and the Irish Stock Exchange's Main Securities Market.

3. Background to and reasons for the Merger

Betfair and Paddy Power both have strong momentum and significant customer bases. The scale and momentum in the businesses has been achieved by developing distinctive brands and products, which are delivered through leading technology platforms by employees with deep expertise in betting and gaming. The Boards of Betfair and Paddy Power recognise the unique opportunity which exists for the businesses to combine their complementary strengths through the Merger and in doing so to better take advantage of the continuing growth in online betting and gaming.

Enhanced scale and capabilities will leave the Combined Group better placed to compete in existing and new markets

The combined revenues of Paddy Power and Betfair are £1.2 billion (€1.7 billion)¹, 80 per cent. of which are from online channels, making the Combined Group one of the world's largest public online betting and gaming companies. The revenues of the Combined Group will ensure it is better positioned to generate returns from investment in people, technology and marketing. When combined with the enhanced efficiency of operating at greater scale, the Boards of Paddy Power and Betfair believe that the Combined Group will be well positioned to compete in both existing and new markets and to create value for shareholders.

Complementary products, channels and capabilities will give rise to revenue synergy opportunities

The Boards of Paddy Power and Betfair believe that given the complementary nature of the respective strengths of Paddy Power and Betfair and through the enhanced technology, branding, marketing and, most importantly, the combined skills and talent of the over 7,000 employees across the Combined Group, it will be able to provide its customers across all markets with an improved offering.

Whilst the process of formulating the detailed strategy of the Combined Group remains at an early stage, Betfair's proprietary exchange betting platform and Paddy Power's retail estates and proprietary gaming product provide examples of how the Combined Group could create a better offering for customers.

Diversified group with strong platforms across online and retail in the UK and Ireland, and attractive international growth opportunities in Australia, the US and Continental Europe

The Combined Group will benefit from a diversified business with:

- online B2C licenses in UK, Australia, Ireland, USA, Italy, Spain, Bulgaria, Denmark, Romania, Gibraltar and Malta;
- retail networks in the UK and in Ireland that support a multi-channel product offering; and
- B2B partnerships in Australia, France, Canada, Slovakia and Spain.

94 per cent. of the Combined Group's revenues will be derived from regulated markets. 20 per cent. of the Combined Group's revenues will be derived from retail and telephone channels.

¹ Based on Paddy Power financials for 12 months ended June 2015 and Betfair financials for 12 months ended April 2015 using €£ exchange rate of 0.737 on 3 September 2015

The Combined Group will have customers from over 100 countries providing a base for further international expansion by utilising the combined scale and complementary strengths of Paddy Power and Betfair.

Dual brand strategy in Europe utilising the distinctive and complementary brands of Betfair and Paddy Power

In Europe, the Combined Group will benefit from two distinctive sector leading brands. Because of the broad range of customer segments served by Paddy Power and Betfair, the Combined Group plans to pursue a dual brand strategy in the UK, Ireland and Italy. The respective strength of both brands means the Combined Group will be better able to serve the needs of this diversified customer base through targeted products and marketing.

The Paddy Power brand is one of the betting and gaming industry's leading entertainment-led sports betting brands and has a proven track record of targeting the substantial recreational customer base. The Betfair brand, with its exchange heritage, resonates more strongly with customers with studied, knowledgeable and sophisticated betting habits who are attracted to Betfair's highly dynamic betting experience and complete market transparency.

The two brands have limited customer overlap. For example, market research indicates that only 3 per cent. of regular UK online gamblers bet with both Paddy Power and Betfair. Additionally, Paddy Power and Betfair have a complementary event mix with circa. 50 per cent. of Paddy Power's sportsbook revenues derived from racing and circa. 35 per cent. from football, Betfair's sportsbook derives circa. 66 per cent. of its revenue from football and just 20 per cent. from racing.

Preserving the unique features and characteristics of each of the Paddy Power and Betfair brands will reinforce the Combined Group's ability to provide customers with attractive yet familiar product offerings.

Cost synergies from efficiencies which reflect the complementary nature of the businesses and through building on the Combined Group's enlarged scale

Following preliminary analysis undertaken by the Boards of Paddy Power and Betfair, significant cost and revenue synergies have been identified which reinforce the strategic rationale for the Merger and the significant value creation opportunity for shareholders. The key driver of the identified synergies is the efficiencies that the Merger enables given the complementary nature of the businesses and the ability to leverage the Combined Group's enlarged scale.

The cost synergies have been identified through applying a set of key integration principles when considering the Combined Group. These principles comprise:

- dual European brands but more focused positioning on their key target audiences;
- integrating technology;
- creating a shared operations team; and
- combining the existing corporate functions into a single corporate function.

In this context, the Boards of Paddy Power and Betfair believe that the Combined Group will be able to achieve recurring annual pre-tax cost synergies of approximately £50 million and expect these to be delivered progressively, minimising risk, over two years following Completion. It is expected that the benefit of the full level of identified synergies will be achieved in the third full year following Completion. A one-off cash integration cost of approximately £65 million (1.3x the level of run rate synergies) is expected to be incurred in delivering the cost synergies. Other than the integration costs

identified, the Boards of Paddy Power and Betfair do not expect any dis-synergies to arise as a result of the Merger.

In addition to the quantified synergies identified above, the Boards of Paddy Power and Betfair believe in a significant opportunity for revenue synergies, predominantly through leveraging the Combined Group's enlarged scale and capabilities to drive better customer acquisition and retention that will increase returns on product and marketing investment and increase payback across existing and new markets.

The statements above of estimated cost synergies relate to future actions and circumstances which inherently involve risks, uncertainties and contingencies. Accordingly, the cost synergies referred to may not be achieved, may not be achieved within the time periods specified or may be achieved in a different form to that which is currently envisaged by the Boards of Paddy Power and Betfair. For the purposes of Rule 28 of the Code, the statements above of estimated cost synergies are the responsibility of the Directors of Paddy Power, in their capacity as directors of the offeror under the terms of the Merger. Appendix IV includes reports in connection with the synergy statements from KPMG and Morgan Stanley, as required pursuant to the Code. KPMG and Morgan Stanley have given and not withdrawn their consent to the publication of their reports in the form and context in which they are included. These statements are not intended as a profit forecast and should not be interpreted as such.

4. Recommendations

The Betfair Directors, who have been so advised by Goldman Sachs as to the financial terms of the Merger, consider the terms of the Merger to be fair and reasonable. Given the size of Betfair relative to the current size of Paddy Power, the Merger will be put to the vote of Paddy Power Shareholders as a class 1 transaction for Paddy Power for the purposes of the Listing Rules. The Paddy Power Directors consider the Merger to be in the best interests of Paddy Power and the Paddy Power Shareholders as a whole and intend unanimously to recommend that Paddy Power Shareholders vote in favour of the Paddy Power Resolutions to be proposed at the Paddy Power General Meeting to approve the Merger and related matters, as the Paddy Power Directors who hold or are beneficially entitled to Paddy Power Shares have irrevocably undertaken to do in respect of their own beneficial holdings of 404,442 Paddy Power Shares representing, in aggregate, approximately 0.918 per cent. of Paddy Power's ordinary share capital in issue on 7 September 2015 (being the latest practicable date prior to this Announcement).

Breon Corcoran	Chief Executive Officer
Andy McCue	Chief Operating Officer

In addition, the Board of Paddy Power Betfair will include further non-executives from the Boards of Paddy Power and Betfair nominated to ensure equal representation between non-executives of Paddy Power and Betfair. Any executive or non-executive directors from Paddy Power not appointed to the Paddy Power Betfair Board will step down from the Paddy Power Board upon the Scheme becoming Effective. Each of the Paddy Power Directors stepping down from the Paddy Power Board is fully supportive of the rationale for the Merger and of its terms and conditions.

Any executive or non-executive directors from Betfair not appointed to the Paddy Power Betfair Board will step down from the Betfair Board upon Completion. Each of the Betfair Directors who will not join the Board of Paddy Power Betfair is fully supportive of the rationale for the Merger and of its terms and conditions.

8. Listing and indexation

In accordance with the current listings of Paddy Power and Betfair, it is expected that Paddy Power Betfair will be listed on the premium listing segment of the Official List of the FCA and admitted to trading on the London Stock Exchange's main market for listed securities.

From Completion, it is also expected that Paddy Power Betfair will be reclassified from its current primary listing on the Irish Stock Exchange to the secondary listing segment of the Irish Stock Exchange's Main Securities Market as an overseas company. It is intended that the reclassification to a secondary listing as an overseas company would become effective on Completion.

Based on initial discussions, FTSE have indicated to the Boards of Paddy Power and Betfair that, reflecting the proposed listings of Paddy Power Betfair, they would anticipate allocating a UK nationality classification to Paddy Power Betfair for the purposes of ongoing inclusion in the FTSE UK Index Series and the FTSE Global Index Series following Completion. As such, it is anticipated that Paddy Power Betfair would be eligible for inclusion in the FTSE All-Share and the FTSE 250 or FTSE 100 as appropriate.

9. Dividends and dividend policy

The Boards of Paddy Power and Betfair have agreed to retain their current dividend policies for the period prior to Completion.

Following Completion and subject to the approval of the Paddy Power Betfair Board, Paddy Power Betfair intends to adopt a progressive dividend policy consistent with Paddy Power Betfair's enhanced growth strategy which balances returns to shareholders with the need to retain sufficient funds to drive growth. In setting its initial dividend, it is expected that the Board of Paddy Power Betfair will target a payout ratio of approximately 50 per cent. of the Combined Group's profit after tax.

The New Paddy Power Betfair Shares will carry the right to all dividends and other distributions declared, made or paid on or after Completion. For the avoidance of doubt, the New Paddy Power Betfair Shares will not carry entitlement to the special dividend referred to in paragraph 2 above.

Current trading

On 26 August 2015, Paddy Power announced its interim results for the six months ended 30 June 2015. Paddy Power noted “Paddy Power has delivered a very strong performance in the first half with net revenue up 25 per cent. in constant currency and operating profit up 33 per cent. Underlying operating profit was up 68 per cent. in constant currency excluding the impact of new taxes and product fees. While this performance was broadly based across all our online and retail divisions, Australia has been the standout with reported operating profit up 78 per cent. We have made substantial progress implementing the strategy we set out in March, with further payback to come from new mobile product releases, refreshed marketing campaigns and efficiency gains. We now expect full year 2015 reported operating profit to be a mid to high single digit percentage above 2014 and the consensus market forecast”.

Current trading for Paddy Power continues in line with statements made in its announcement on 26 August 2015.

The Paddy Power Profit Forecast, the assumptions on which the Paddy Power Profit Forecast is based and the reports from Paddy Power's reporting accountants, KPMG, and its financial adviser, Morgan Stanley, as required by Rule 28.1 of the Code are set out in Appendix V to this Announcement. Each of KPMG and Morgan Stanley has given and not withdrawn its consent to the publication of its report in this Announcement in the form and context in which it is included.

Betfair is one of the world's largest international online sports betting providers, founded in 1999 by Andrew Black and Edward Wray. In 2000, Betfair pioneered the betting exchange concept allowing customers to bet at odds set by themselves or by other customers. The Exchange processes more than seven million transactions every day. In 2013, Betfair launched a fixed odds Sportsbook to offer greater choice to the recreational betting market. Betfair has more than 1.7 million active customers. Current trading

On 26 August 2015, Betfair announced its quarterly results for the three months ended 31 July 2015. Betfair noted “While profitability in the coming quarters will be adversely affected by the loss of revenues from Portugal, phasing of marketing spend and increased product investment, Betfair continues to operate with a high level of operational gearing and our top-line momentum means we are well placed to continue to deliver profitable growth”.

Current trading for Betfair continues in line with statements made in its announcement on 26 August 2015.

12. Management, employees and head office location

Details of the proposed Board of Paddy Power Betfair are set out in paragraph 7 above.

Betfair and Paddy Power recognise the skills and experience of their respective management and employees and expect the management teams of both Paddy Power and Betfair to play a leading role in the combined business in the future and that employees will benefit from the greater opportunities for the business following Completion.

In order to achieve the full potential benefits of the Merger and in the long-term interests of Paddy Power Betfair, a business, operational and administrative review will be undertaken following Completion. The initial synergies work carried out has highlighted the potential to generate savings for the Combined Group in areas where there may be duplication across general corporate overheads and facilities, and by rationalising certain operational and support functions. The Paddy Power Directors and the Betfair Directors anticipate that this may involve some headcount reduction.

As at the date of this Announcement, no decisions have been made by either Paddy Power or Betfair in relation to specific actions that may be taken as part of this business, operational and administrative review. Prior to any decisions being made, there will need to be detailed discussions held between Paddy Power, Betfair and appropriate stakeholders.

The Boards of Paddy Power and Betfair have each confirmed that the existing contractual and employment rights, including pension rights, of all Paddy Power and Betfair employees will be fully safeguarded on Completion.

It is expected that the Combined Group will be headquartered in Dublin and that the Combined Group will maintain a significant presence in both Ireland and the United Kingdom.

13. Share Schemes

Participants in the Betfair Share Schemes will be contacted separately regarding the effect of the Merger on their outstanding awards and options under the Betfair Share Schemes and will be provided with further details concerning the proposals which will be made to them in due course. Paddy Power and Betfair have agreed that the participants in the Paddy Power Share Schemes will be treated equitably with the participants in the Betfair Share Schemes in determining whether any adjustment to their entitlements is necessary to reflect the impact of the Merger on those schemes.

Betfair LTIP

Paddy Power and Betfair have agreed that outstanding awards granted under the Betfair Long Term Incentive Plan (“**Betfair LTIP Awards**”) in 2013/14, 2014/15 and 2015/16 will not vest on Completion but will be replaced by awards over an equivalent number of Paddy Power Betfair shares (calculated by reference to the Exchange Ratio) which will have the same normal vesting dates as the original awards but be subject to certain absolute vesting levels.

The vesting levels of the replacement awards will be crystallised on grant reflecting the extent to which the Betfair Remuneration Committee considers that the performance conditions applying to the relevant awards would have been satisfied at the end of the original vesting periods (the “**Betfair Fixed Vesting Level**”). The Betfair Fixed Vesting Levels for each of the awards will be as follows:

- 2013/14 LTIP awards – 100 per cent. of the underlying shares vesting in full on the normal vesting dates between July 2016 and April 2017;

- 2014/15 LTIP awards – 100 per cent. of the underlying shares vesting in full on the normal vesting dates between June 2017 and March 2018; and
- 2015/16 LTIP awards – a proportion of the underlying shares vesting in full on the normal vesting date in July 2018. This proportion will be the time-pro rata proportion of the three year vesting period (from July 2015) which has elapsed at the later of the date of Completion and the date on which the 2015 Performance Based Award (as defined below) becomes effective.

In the case of the 2015/16 awards, an additional replacement award will be granted in respect of the balance of the awards that is not reflected in the Betfair Fixed Vesting Level which will be capable of vesting in July 2018 according to the extent to which specified performance conditions relating to the performance of the Combined Group are satisfied (the “**2015 Performance Based Award**”). These performance conditions will be set by the Paddy Power Betfair Remuneration Committee at a level which it considers to be no more or less challenging to achieve in the context of the Combined Group than would have been the case for the original Betfair performance conditions had the Merger not occurred, taking account of the performance of Betfair in the period up to Completion.

Betfair Sharesave – UK and Ireland

Options granted under the Betfair Sharesave Plan and the Betfair Irish Sharesave Scheme will be exercisable for a period of six months following the date of the Court Order. These options will be exercisable over Betfair Shares to the extent of savings made under the related savings contract at the time of exercise. Paddy Power will offer participants in the Betfair Sharesave Plan and the Betfair Irish Sharesave Plan the opportunity (as an alternative to exercise) to exchange their options over Betfair Shares for equivalent options over Paddy Power Betfair Shares which will be eligible to vest at the normal maturity dates. The basis on which the exchange will be calculated will be subject to any approvals that may be required of relevant tax authorities.

Other Betfair Employee Share Plans

Outstanding options and awards over Betfair Shares under the Betfair Deferred Share Incentive Plan, the Betfair Restricted Share Awards Plan and the Betfair Unapproved Share Option Plan will, to the extent not already vested, vest in full in accordance with the applicable rules on the date of the Court Order.

Paddy Power LTIP

Paddy Power and Betfair have agreed that outstanding awards granted under the Paddy Power Long Term Incentive Plan (“**Paddy Power LTIP Awards**”) in 2013, 2014 and 2015 will not vest on Completion but will have the same normal vesting dates subject to certain absolute vesting levels.

The vesting levels of the Paddy Power LTIP Awards will be crystallised on Completion reflecting the extent to which the Paddy Power Remuneration Committee considers that the performance conditions applying to the relevant Paddy Power LTIP Awards would have been satisfied at the end of the original vesting periods (the “**Paddy Power Fixed Vesting Level**”). The Paddy Power Fixed Vesting Levels for each of the awards will be as follows:

- 2013 LTIP awards – 100 per cent. of the underlying shares vesting in full on the normal scheduled vesting dates in 2016;
- 2014 LTIP awards – 100 per cent. of the underlying shares vesting in full on the normal scheduled vesting dates in 2017; and

- 2015 LTIP awards – a proportion of the underlying shares vesting in full on the normal scheduled vesting dates in 2018. This proportion will be the time-pro rata proportion of the three year vesting period (from date of grant) which has elapsed at the date of Completion.

In the case of the 2015 awards, the balance of the awards not reflected in the Paddy Power Fixed Vesting Level will remain outstanding and will be capable of vesting in 2018 according to the extent to which specified performance conditions relating to the performance of the Combined Group are satisfied. The existing performance conditions for such balance of the existing 2015 awards will be adjusted by the Paddy Power Betfair Remuneration Committee at a level which it considers to be no more or less challenging to achieve in the context of the Combined Group than would have been the case for the original Paddy Power performance conditions had the Merger not occurred, taking account of the performance of Paddy Power in the period up to Completion.

Paddy Power Share Save Scheme

Options granted under the Paddy Power Share Save Scheme will remain unchanged and will continue in accordance with their terms.

Paddy Power Share Option Scheme

Options granted under the Paddy Power Share Option Scheme will remain unchanged and will continue in accordance with their terms.

As required by, and solely for the purposes of, Rule 16.2 of the Code, Goldman Sachs has (in its capacity as independent adviser to Betfair for the purposes of Rule 3 of the Code) confirmed to the Panel that it has reviewed the terms of the management incentivisation arrangements referred to above in relation to the Betfair Share Schemes, together with other information deemed relevant and considers them to be fair and reasonable so far as the Betfair Shareholders are concerned. In providing its advice, Goldman Sachs has taken into account the commercial assessments of Betfair. Goldman Sachs' confirmation to the Panel addressed only the matters required to be addressed by Rule 16.2 of the Code and addressed no other matter.

14. Conditions

The Merger will be subject to the Conditions set out in Appendix I to this Announcement. The Scheme and the Merger is conditional, amongst other things, on:

- the Court Meeting and the Betfair General Meeting being held on or before the 22nd day after the expected date of such meetings as set out in the Scheme Document in due course (or such later date as may be agreed between Paddy Power and Betfair in writing and the Court may allow);
- the approval of the Scheme by a majority in number representing not less than 75 per cent. in value of the Scheme Shareholders who are on the register of members of Betfair at the Scheme Voting Record Time, present and voting, whether in person or by proxy, at the Court Meeting (or any adjournment thereof);
- the approval of, amongst other things, such of the Betfair Resolutions as are necessary to implement the Merger by the requisite majorities of Betfair Shareholders at the Betfair General Meeting (or any adjournment thereof);
- the Scheme being sanctioned by the Court (with or without modification, on terms agreed by Paddy Power and Betfair) on or before the 22nd day after the expected date of the Court Hearing to approve the Scheme as set out in the Scheme Document in due course (or such

later date as may be agreed between Paddy Power and Betfair in writing and the Court may allow);

- the Scheme becoming unconditional and effective no later than the Long Stop Date (or such later date as Paddy Power and Betfair may, with the consent of the Panel, agree and (if required) the Court may allow) and the delivery of the office copy of the Court Order to the Registrar of Companies;
- all relevant anti-trust approvals being obtained (as further described in paragraphs (f),(g),(h) and (i) of Appendix I to this Announcement);
- the Court Hearing being held on or before the 22nd day after the expected date of the Court sanction as set out in the Scheme Document in due course (or such later date as may be agreed between Paddy Power and Betfair in writing and the Court may allow);
- approval of such of the Paddy Power Resolutions as are necessary to implement the Merger by the requisite majorities of Paddy Power Shareholders at the Paddy Power General Meeting (or any adjournment thereof); and
- the UK Listing Authority, the London Stock Exchange and Irish Stock Exchange having acknowledged to Paddy Power or its agent (and such acknowledgement not having been withdrawn) that the application for Admission of the New Paddy Power Betfair Shares has been approved and (subject to satisfaction of any conditions to which such approval is expressed) will become effective as soon as a dealing notice has been issued by the Irish Stock Exchange, UK Listing Authority and the London Stock Exchange having acknowledged to Paddy Power Betfair or its agent (and such acknowledgement not having been withdrawn) that the New Paddy Power Betfair Shares will be admitted to: (i) listing on the premium listing segment of the Official List of the FCA and to the secondary listing segment of the Official List of the Irish Stock Exchange as an overseas company; and (ii) trading on the London Stock Exchange's main market for listed securities and the Irish Stock Exchange's regulated market for listed securities.

15. Offer-related arrangements

Confidentiality Agreement

Paddy Power and Betfair have entered into a mutual Confidentiality Agreement dated 18 August 2015 pursuant to which each of Paddy Power and Betfair has undertaken to keep certain information relating to the Merger and the other party confidential and not to disclose it to third parties (other than to permitted disclosees) unless required by law or regulation. These confidentiality obligations will remain in force until Completion.

Co-operation Agreement

Paddy Power and Betfair have entered into a Co-operation Agreement on 8 September 2015 in connection with the Merger.

Pursuant to the Co-operation Agreement, Paddy Power and Betfair have agreed to co-operate with each other and to each use its reasonable endeavours to secure the regulatory clearances and authorisations necessary to satisfy certain of the Conditions, including by accepting the imposition of, or offering, undertakings or commitments by or to the relevant authorities that are acceptable to both Paddy Power and Betfair.

Paddy Power and Betfair have agreed to certain undertakings to co-operate and provide each other with reasonable information, assistance and access in relation to the filings, submissions and notifications to be made in relation to such regulatory clearances and authorisations.

Paddy Power or Betfair may terminate the Co-operation Agreement if the Scheme has not become effective by a specified date, the consummation of the Merger becomes illegal or otherwise prohibited, the Betfair Resolutions which are necessary to implement the Merger are not approved at the Betfair General Meeting, the Paddy Power Resolutions which are necessary to implement the Merger are not approved at the Paddy Power General Meeting or the Scheme or Merger Offer, as the case may be, is withdrawn or lapses before the specified date.

Paddy Power has the right to terminate the Co-operation Agreement if the Betfair Board fails to recommend or withdraws, amends, modifies or qualifies, in a manner adverse to Paddy Power or fails to publicly reaffirm, its recommendation of the Merger until such time as the Betfair Resolutions which are necessary to implement the Merger have been approved or if the Betfair Board or a committee thereof approves or recommends a disposal of certain assets or shares or certain other transactions. Betfair has the right to terminate the Co-operation Agreement if the Paddy Power Board fails to recommend or withdraws, amends, modifies or qualifies, in a manner adverse to Betfair or fails to publicly reaffirm, its recommendation of the Merger until such time as the Paddy Power Resolutions which are necessary to implement the Merger have been approved or if the Paddy Power Board or a committee thereof approves or recommends a disposal of certain assets or shares or certain other transactions.

The Co-operation Agreement records Paddy Power's and Betfair's intention to implement the Merger by way of the Scheme, subject to the ability of Paddy Power to proceed by way of a Merger Offer: (i) with Betfair's consent; (ii) if a third party announces a firm intention to make an offer for the issued and to be issued ordinary share capital of Betfair which is recommended by the Betfair Board; or (iii) if the Betfair Board withdraws its unanimous and unconditional approval of the Scheme.

16. Structure of the Merger

It is intended that the Merger will be implemented by way of a Court-sanctioned scheme of arrangement between Betfair and the Scheme Shareholders, under Part 26 of the Companies Act, under which Paddy Power will acquire all of the shares in Betfair. However, Paddy Power reserves the right to implement the Merger by way of a Merger Offer, subject to Panel consent and the terms of the Co-operation Agreement.

The purpose of the Scheme is to provide for Paddy Power to become the holder of the entire issued and to be issued ordinary share capital of Betfair. This is to be achieved by the transfer of the Scheme Shares to Paddy Power in consideration for which Scheme Shareholders will receive New Paddy Power Betfair Shares on the basis set out in paragraph 2 of this Announcement.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the Betfair General Meeting (and if they attended and voted, whether or not they voted in favour), and share certificates in respect of Betfair Shares will cease to be valid and entitlements to Betfair Shares held within the CREST system will be cancelled.

Scheme Shares will be acquired by Paddy Power pursuant to the Scheme fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto, including voting rights and the rights to receive and retain in full all dividends and other distributions declared, made or paid on or after the Effective Date, save where the record date for such dividend or other distribution falls prior to the Effective Date or otherwise where Paddy Power and Betfair agree.

The New Paddy Power Betfair Shares issued to Scheme Shareholders pursuant to the Scheme will be issued credited as fully paid and will rank *pari passu* in all respects with existing Paddy Power Shares, including the right to receive dividends and other distributions declared, made or paid on Paddy Power Shares by reference to a record date falling after the Effective Date. For the avoidance of doubt, the New Paddy Power Betfair Shares will not carry entitlement to the special dividend

referred to in paragraph 2 above. The New Paddy Power Betfair Shares will be issued in registered form and will trade under the same ISIN number as the existing Paddy Power Shares.

Fractions of New Paddy Power Betfair Shares will not be allotted or issued to Scheme Shareholders and entitlements will be rounded down to the nearest whole number of Paddy Power Shares and all fractions of New Paddy Power Betfair Shares will be aggregated and sold in the market as soon as practicable after the Effective Date. The net proceeds of such sale (after deduction of all expenses and commissions incurred in connection with the sale) will be distributed by Paddy Power in due proportions to Scheme Shareholders who would otherwise have been entitled to such fractions, save that individual entitlements to amounts of less than £5 will be retained for the benefit of the Combined Group.

If the Scheme does not become Effective on or before the Long Stop Date (or such later date as Paddy Power and Betfair may agree with the consent of the Panel), it will lapse and the Merger will not proceed.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the Betfair General Meeting. The Scheme Document will also contain the expected timetable for the Merger, and will specify the necessary actions to be taken by Betfair Shareholders.

The Scheme Document, together with the Forms of Proxy, will be posted to Betfair Shareholders and, for information only, to persons with information rights and to holders of options and awards granted under the Betfair Share Schemes in November 2015. For the purposes of paragraph 3(a) of Appendix 7 to the Code and with the agreement of Betfair, the Panel has consented to these arrangements. It is expected that the Betfair General Meeting will be held in December, at the same time as the Paddy Power General Meeting. Completion is expected to occur during the first quarter of 2016, subject to the Conditions and certain further terms set out in Appendix I to this Announcement.

17. Paddy Power General Meeting

Given the size of Betfair relative to the current size of Paddy Power, the Merger will require the approval of Paddy Power Shareholders as it constitutes a class 1 transaction for Paddy Power under the Listing Rules. Accordingly, Paddy Power will be required to seek the approval of Paddy Power Shareholders for the Merger at the Paddy Power General Meeting and to authorise an increase in the share capital of Paddy Power and the allotment of the New Paddy Power Betfair Shares.

The Paddy Power Circular summarising the background to and reasons for the Merger and containing the notice convening the Paddy Power General Meeting will be sent to Paddy Power Shareholders at the same time as the Scheme Document is posted to Betfair Shareholders, which is expected to be in November 2015. It is expected that the Paddy Power General Meeting will be held in December, at the same time as the Betfair General Meeting.

Paddy Power will also be required to make the Paddy Power Betfair Prospectus available to the public in accordance with the Prospectus Rules. The Paddy Power Betfair Prospectus will contain information relating to the Combined Group and the New Paddy Power Betfair Shares. It is expected that the Paddy Power Betfair Prospectus will be published at or around the same time as the Scheme Document is posted to Betfair Shareholders and the Paddy Power Circular is posted to Paddy Power Shareholders.

18. Accounting considerations

The Paddy Power financial year ends on 31 December and the Betfair financial year ends on 30 April. It is intended that Paddy Power Betfair will have an accounting financial year ending on 31 December and that it will pay an interim dividend in September and a final dividend in May. It is also expected that Paddy Power Betfair's reporting currency will be GBP.

For accounting purposes, it is expected that Betfair will be consolidated into Paddy Power's balance sheet. A fair value exercise in respect of Betfair's assets and liabilities will be conducted following Completion, resulting in Betfair's assets and liabilities being included at fair value on the Combined Group's balance sheet. Intangible assets arising will include goodwill and brands.

19. Listing, dealings and settlement of the New Paddy Power Betfair Shares

Applications will be made to the Irish Stock Exchange, UK Listing Authority and the London Stock Exchange, respectively for the New Paddy Power Betfair Shares to be admitted to: (i) the premium listing segment of the Official List of the FCA and to the secondary listing segment of the Official List of the Irish Stock Exchange as an overseas company; and (ii) trading on the London Stock Exchange's main market for listed securities and the Irish Stock Exchange's Main Securities Market. It is expected that Admission will become effective and that dealings for normal settlement in the New Paddy Power Betfair Shares will commence on the London Stock Exchange and the Irish Stock Exchange at 8.00 a.m. on or shortly after the Effective Date.

20. De-listing of Betfair

Prior to the Scheme becoming Effective, applications will be made to the UK Listing Authority for the cancellation of the listing of the Betfair Shares on the Official List of the FCA and to the London Stock Exchange for the cancellation of trading of the Betfair Shares on the London Stock Exchange's main market for listed securities, in each case to take effect on or shortly after the Effective Date.

On the Effective Date, Betfair will become a wholly-owned subsidiary of Paddy Power and share certificates in respect of Betfair Shares will cease to be valid and entitlements to Betfair Shares held within the CREST system will be cancelled.

21. Disclosure of interest in relevant securities

As at the close of business on 7 September 2015, being the last practicable date prior to the publication of this Announcement, save for: (i) the disclosures in this paragraph 21; and (ii) the irrevocable undertakings referred to in paragraph 5 above, none of Paddy Power or any of its directors or, so far as Paddy Power and the Paddy Power Directors are aware, any person acting, or deemed to be acting, in concert with Paddy Power:

- had an interest in, or right to subscribe for, relevant securities of Betfair;
- had any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of Betfair;
- had procured an irrevocable commitment or letter of intent to accept the Merger in respect of relevant securities of Betfair; or
- had borrowed or lent any Betfair Shares.

Furthermore, no arrangement exists with Paddy Power, Betfair or an associate of Paddy Power in relation to Betfair Shares. For these purposes, an "arrangement" includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to Betfair Shares which may be an inducement to deal or refrain from dealing in such securities.

Paddy Power confirms that it made an Opening Position Disclosure, setting out the details required to be disclosed by it under Rule 8.1(a) of the Code, on 7 September 2015.

Betfair confirms that it made an Opening Position Disclosure, setting out the details required to be disclosed by it under Rule 8.2(a) of the Code, on 7 September 2015.

22. Overseas Shareholders

The availability of New Paddy Power Betfair Shares under the Merger, and the distribution of this Announcement to persons who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of and observe any applicable legal or regulatory requirements of their jurisdiction. Betfair Shareholders who are in doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This Announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. Betfair Shareholders are advised to read carefully the Scheme Document, the Paddy Power Betfair Prospectus and the Forms of Proxy once these have been dispatched. Paddy Power Shareholders are advised to read carefully the Paddy Power Betfair Prospectus, the Paddy Power Circular and the form of proxy accompanying the Paddy Power Circular once these have been dispatched.

23. General

The Scheme and the Merger will lapse if there is a Phase 2 CMA Reference before the later of the Court Meeting and the Betfair General Meeting. In such event, Betfair will not be bound by the terms of the Scheme.

The Scheme will be governed by English law and will be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, the Irish Stock Exchange and the FCA.

Statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. No statement in the Quantified Financial Benefits Statement, or this Announcement generally, should be construed as a profit forecast (other than the Paddy Power Profit Forecast) or interpreted to mean that the Combined Group’s earnings in

the first full year following the effective date of the Scheme, or in any subsequent period, would necessarily match or be greater than or be less than those of Paddy Power and/or Betfair for the relevant preceding financial period or any other period. For the purposes of Rule 28 of the Code, the Quantified Financial Benefits Statement contained in this Announcement is the responsibility of Paddy Power and the Paddy Power Directors.

Paddy Power Profit Forecast

The Paddy Power Profit Forecast is a profit forecast for the purposes of Rule 28 of the Code. The Paddy Power Profit Forecast, the assumptions on which the Paddy Power Profit Forecast is based and the reports from Paddy Power's reporting accountants, KPMG, and its financial adviser, Morgan Stanley, as required by Rule 28.1 of the Code are set out in Appendix V to this Announcement. Each of KPMG and Morgan Stanley has given and not withdrawn its consent to the publication of its report in this Announcement in the form and context in which it is included.

Other than the Paddy Power Profit Forecast, no statement in this Announcement is intended as a profit forecast or estimate for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Paddy Power or Betfair, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Paddy Power or Betfair, as appropriate.

Opening Position and Dealing Disclosure Requirements under the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Please be aware that addresses, electronic addresses and certain other information provided by Betfair Shareholders, persons with information rights and other relevant persons for the receipt of communications from Betfair may be provided to Paddy Power during the Offer Period as required under Section 4 of Appendix 4 of the Code.

Overseas jurisdictions

The release, publication or distribution of this Announcement in or into certain jurisdictions may be restricted by the laws of those jurisdictions. Accordingly, copies of this Announcement and all other announcements relating to the Merger are not being, and must not be, released, published, mailed or otherwise forwarded, distributed or sent in, into or from any restricted jurisdiction. Persons receiving such announcements (including, without limitation, nominees, trustees and custodians) should observe these restrictions. Failure to do so may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies involved in the

Merger disclaim any responsibility or liability for the violations of any such restrictions by any person.

The Merger relates to the acquisition of shares of a UK company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to proxy solicitation or tender offer rules under the US Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable in the United Kingdom to schemes of arrangement, which differ from the requirements of US proxy solicitation or tender offer rules. However, if Paddy Power were to elect to implement the Merger by means of a Merger Offer, such Merger Offer will be made in compliance with all applicable laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Merger Offer would be made in the United States by Paddy Power and no one else. In addition to any such Merger Offer, Paddy Power, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Betfair outside such Merger Offer during the period in which such Merger Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made they would be made outside the United States and would comply with applicable law, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website: www.londonstockexchange.com.

The financial information included in this Announcement has been prepared in accordance with accounting standards applicable in the UK and Ireland and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The New Paddy Power Betfair Shares have not been and will not be registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New Paddy Power Betfair Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into or from the United States absent registration under the US Securities Act or an exemption therefrom. The New Paddy Power Betfair Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. Betfair Shareholders (whether or not US persons) who are or will be affiliates (within the meaning of the US Securities Act) of Paddy Power or Betfair prior to, or of Paddy Power after, the Effective Date will be subject to certain US transfer restrictions relating to the New Paddy Power Betfair Shares received pursuant to the Scheme. For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10), Betfair will advise the Court that its sanctioning of the Scheme will be relied upon by Paddy Power as an approval of the Scheme following a hearing on its fairness to Betfair Shareholders.

The receipt of New Paddy Power Betfair Shares pursuant to the Merger by a US Betfair Shareholder may be a taxable transaction for US federal income tax purposes and under applicable state and local, as well as foreign and other, tax laws. Each Betfair Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Merger.

It may be difficult for US Betfair Shareholders to enforce their rights and claims arising out of the US federal securities laws, since Paddy Power and Betfair are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US Betfair Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

None of the securities referred to in this Announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor

have such authorities passed upon or determined the adequacy or accuracy of the information contained in this Announcement. Any representation to the contrary is a criminal offence in the United States.

Unless otherwise determined by Paddy Power or required by the Code, and permitted by applicable law and regulation, the Merger will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Merger by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Merger are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Merger (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of New Paddy Power Betfair Shares under the Merger to Betfair Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements.

Copies of this Announcement and formal documentation relating to the Merger will not be and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any jurisdiction where to do so would violate the laws of that jurisdiction.

The Merger will lapse if the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date or such later date (if any) as Betfair and Paddy Power may agree and (if required) the Panel and the Court may allow.

If Paddy Power is required by the Panel to make an offer for Betfair Shares under the provisions of Rule 9 of the Code, Paddy Power may make such alterations to the Conditions and further terms of the Merger as are necessary to comply with the provisions of that Rule.

Part 3: Implementation by way of a Merger Offer

Subject to the terms of the Co-operation Agreement, Paddy Power may implement the Merger by making, directly or indirectly through a subsidiary or nominee of Paddy Power, a Merger Offer as an alternative to the Scheme. In such event, the Merger will be implemented on substantially the same terms, subject to appropriate amendments, as those which would apply to the Scheme.

In the event that the Merger is implemented by way of a Merger Offer, the Betfair Shares acquired shall be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them.

Part 4: Certain further terms of the Merger

The Scheme and the Merger will lapse if there is a Phase 2 CMA Reference before the later of the Court Meeting and the Betfair General Meeting. In such event, Betfair will not be bound by the terms of the Scheme.

In so far as a distribution is declared, made, paid or payable by Betfair or Paddy Power in respect of the Betfair Shares or Paddy Power Shares (as applicable) on or after the date of this Announcement save as set out in paragraphs 2 and 9 of this Announcement, the Exchange Ratio will be adjusted accordingly by reference to the aggregate amount of the distribution that has been declared, made, paid or is payable. To the extent that a distribution that has been declared, made, paid or is payable is or will be transferred or cancelled pursuant to the Merger on a basis which entitles Paddy Power Shareholders alone to receive the distribution and to retain it, the Exchange Ratio will not be subject to change in accordance with this paragraph.

The Betfair Shares will be acquired pursuant to the Merger fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this Announcement, save for any dividends payable on the terms set out in paragraph 9 of this Announcement.

The New Paddy Power Betfair Shares will be issued credited as fully paid and will rank pari passu in all respects with the existing Paddy Power Shares, including the right to receive and retain in full all dividends and other distributions (if any) made, paid or declared after Completion. For the avoidance

of doubt, the New Paddy Power Betfair Shares will not carry entitlement to the special dividend referred to in paragraph 2 or any interim dividend referred to in paragraph 9 of this Announcement.

Fractions of New Paddy Power Betfair Shares will not be allotted or issued to Scheme Shareholders and entitlements will be rounded down to the nearest whole number of Paddy Power Shares and all fractions of New Paddy Power Betfair Shares will be aggregated and sold in the market as soon as practicable after the Effective Date. The net proceeds of such sale (after deduction of all expenses and commissions incurred in connection with the sale) will be distributed by Paddy Power in due proportions to Scheme Shareholders who would otherwise have been entitled to such fractions, save that individual entitlements to amounts of less than £5 will be retained for the benefit of the Combined Group.

The availability of the Merger to Scheme Shareholders who are not resident in the United Kingdom may be affected by the laws of relevant jurisdictions. Therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and any Scheme Shareholders who are not resident in the United Kingdom will need to inform themselves about, and observe, any applicable requirements.

Applications will be made to the UKLA, the London Stock Exchange and the Irish Stock Exchange for the New Paddy Power Betfair Shares to be admitted to: (i) listing on the premium listing segment of the Official List of the FCA and to the secondary listing segment of the Official List of the Irish Stock Exchange as an overseas company; and (ii) trading on the London Stock Exchange's main market for listed securities and the Irish Stock Exchange's Main Securities Market.

Accordingly, unless an exemption under relevant securities laws is available, the New Paddy Power Betfair Shares are not being, and may not be, offered, sold, resold, delivered or distributed, directly or indirectly, in, into or from the United States or any other Restricted Jurisdiction or to, or for the account or benefit of, any US Person or resident of any other Restricted Jurisdiction. The Merger does not constitute an offer of New Paddy Power Betfair Shares in the United States. Neither the SEC nor any US state securities commission has approved or disapproved of the New Paddy Power Betfair Shares, or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence.

APPENDIX IV

QUANTIFIED FINANCIAL BENEFITS STATEMENT

Part A

Paragraph 3 of this Announcement includes statements of estimated cost savings and synergies arising from the Merger (together, the “**Quantified Financial Benefits Statement**”).

A copy of the Quantified Financial Benefits Statement is set out below:

“Following preliminary analysis undertaken by the Boards of Paddy Power and Betfair, significant cost and revenue synergies have been identified which reinforce the strategic rationale for the Merger and the significant value creation opportunity for shareholders. The key driver of the identified synergies is the efficiencies that the Merger enables given the complementary nature of the businesses and the ability to build on the Combined Group’s broad product offering.

The synergies have been identified through applying a set of key integration principles when considering the Combined Group. These principles comprise:

- *dual European brands but more focused positioning on their key target audiences;*
- *integrating technology;*
- *creating a shared operations team; and*
- *combining the existing corporate functions into a single corporate function.*

In this context, the Boards believe that the Combined Group will be able to achieve recurring annual pre-tax cost synergies of approximately £50 million and expect these to be delivered progressively, minimising risk, over two years following Completion. It is expected that the benefit of the full level of identified synergies will be achieved in the third full year following Completion. A one-off cash integration cost of approximately £65 million (1.3x the level of run rate synergies) is expected to be incurred in delivering the cost synergies. Other than the integration costs identified, the Boards of Paddy Power and Betfair do not expect any dis-synergies to arise as a result of the Merger.

In addition to the quantified synergies identified above, the Boards of Paddy Power and Betfair believe in a significant opportunity for revenue synergies, predominantly through leveraging the Combined Group’s enlarged scale and capabilities to drive better customer acquisition and retention that will increase returns on product and marketing investment and increase payback across existing and new markets.

The statements above of estimated cost synergies relate to future actions and circumstances which inherently involve risks, uncertainties and contingencies. Accordingly, the cost synergies referred to may not be achieved, may not be achieved within the time periods specified or may be achieved in a different form to that which is currently envisaged by the Boards of Paddy Power and Betfair. For the purposes of Rule 28 of the Code, the statements above of estimated cost synergies are the responsibility of the Directors of Paddy Power, in their capacity as directors of the offeror under the terms of the Merger. Appendix IV includes reports in connection with the synergy statements from KPMG and Morgan Stanley, as required pursuant to the Code. KPMG and Morgan Stanley have given and not withdrawn their consent to the publication of their reports in the form and context in which they are included. These statements are not intended as a profit forecast and should not be interpreted as such.”

The potential sources of the recurring annual pre-tax cost synergies of approximately £50 million identified by the Boards of Paddy Power and Betfair include:

- synergies in commercial and marketing areas generated through efficiencies in brand spend and agency fees and rationalising certain operational and support functions;
- synergies in IT, product development and other operational areas driven by optimising infrastructure, trading platforms, product design, development and data costs; and
- removal of duplication across general corporate overheads and facilities.

Bases of belief

Prior to the announcement of the possible merger on 26 August 2015, discussions were held between senior finance, commercial and strategy personnel at Paddy Power and Betfair for the purposes of enabling the respective teams to quantify their initial estimates of potential synergies and associated costs available from the Merger. As part of this process, the Paddy Power and Betfair teams established a proposed framework operating model through which each team could refine their respective estimates of cost synergies.

Following the announcement of the possible merger on 26 August 2015, the Paddy Power and Betfair teams aligned their respective analyses into a combined set of cost synergies estimates, details of which are set out in the Appendix IV and in paragraph 3 of this Announcement. The Paddy Power and Betfair teams have continued to refine and test their analysis with the relevant functional heads and other personnel at Paddy Power and Betfair to assess the nature and quantum of their estimates of the identified cost synergies available as a result of the Merger.

In preparing the Quantified Financial Benefits Statement, both Paddy Power and Betfair have shared certain operating and financial information to facilitate a detailed analysis in support of evaluating the potential cost synergies available from the Merger. In circumstances where data has been limited for commercial or other reasons, the team has made estimates and assumptions to aid its development of individual synergy initiatives.

The cost bases used as the basis for the quantification exercise are:

- in respect of Paddy Power, the seven months actual cost base to 31 July 2015 plus five months of the latest forecast cost base to 31 December 2015; and
- in respect of Betfair, the three months actual cost base to 31 July 2015 plus nine months of the latest forecast cost base to 30 April 2016.

The exchange rate used to convert between:

- EUR and GBP is 0.77; and
- AUD and GBP is 1.46.

Reports

As required by Rule 28.1(a) of the Code, KPMG, as reporting accountants to Paddy Power, have provided a report stating that, in their opinion, the Quantified Financial Benefits Statement has been properly compiled on the basis stated. In addition Morgan Stanley, as financial adviser to Paddy Power, has provided a report stating that, in its opinion, the Quantified Financial Benefits Statement has been prepared with due care and consideration.

Copies of these reports are included in Parts B and C of this Appendix IV. KPMG and Morgan Stanley have given and not withdrawn their consent to the publication of their reports in the form and context in which they are included.

Notes

1. The statements of estimated cost synergies relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost synergies referred to may not be achieved, or may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. No statement in the Quantified Financial Benefits Statement, or this Announcement generally, should be construed as a profit forecast (other than the Paddy Power Profit Forecast) or interpreted to mean that the Combined Group's earnings in the first full year following the Merger, or in any subsequent period, would necessarily match or be greater than or be less than those of Paddy Power and/or Betfair for the relevant preceding financial period or any other period.
2. Due to the scale of the Combined Group, there may be additional changes to the Combined Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.
3. In arriving at the estimate of cost synergies set out in this Announcement, the Paddy Power Directors have assumed that there will be no significant impact on the underlying operations of either business as a result of the Merger.

Dear Sir or Madam:

Report on quantified financial benefits statement

We refer to the statement made by the directors of Paddy Power plc (the “Company”) (the “Directors”) of quantified financial benefits set out in Part A of Appendix IV to the announcement (the “Statement”) issued by the Company on 8 September 2015 in accordance with Rule 2.7 of the City Code (as defined below) (the “Announcement”).

The Statement has been made in the context of the disclosures in Part A of Appendix IV to the Announcement setting out, inter alia, the basis of the Directors’ belief (including sources of information) supporting the Statement and their analysis and explanation of the underlying constituent elements.

This report is required by Rule 28.1 of The City Code on Takeovers and Mergers (the “City Code”) and is given for the purpose of complying with that requirement and for no other purpose.

Responsibility

It is the responsibility of the Directors to prepare the Statement in accordance with the City Code. It is our responsibility to form an opinion, as required by Rule 28.1(a)(i) of the City Code as to the proper compilation of the Statement and report that opinion to you.

Save for any responsibility which we may have to those persons to whom this report is expressly addressed, to the fullest extent permitted by law we do not assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or in connection with this report or our statement, required by and given solely for the purposes of complying with Rule 23.3 of the City Code, consenting to its inclusion in the Announcement.

Basis of preparation of the Statement

The Statement has been prepared on the basis stated in Part A of Appendix IV to the Announcement.

Basis of opinion

We have discussed the Statement, together with the underlying plans, with the Directors and with Morgan Stanley & Co. International plc. We have also considered the letter dated 8 September 2015

from Morgan Stanley & Co. International plc to the Directors on the same matter. Our work did not involve any independent examination of any of the financial or other information underlying the Statement. We conducted our work in accordance with Standards for Investment Reporting issued by the Auditing Practices Board of the United Kingdom and Ireland.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Statement has been properly compiled on the basis stated.

Our work has not been carried out in accordance with auditing or other standards and practices generally accepted in the United States of America or other jurisdictions and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices.

We do not express any opinion as to the achievability of the benefits identified by the Directors in the Statement. The Statement is subject to uncertainty as described in Part A of Appendix IV to the Announcement. Because of the significant changes in the enlarged group's operations expected to flow from the transaction and because the Statement relates to the future, the actual benefits achieved are likely to be different from those anticipated in the Statement and the differences may be material.

Opinion

On the basis of the foregoing, we report that in our opinion the Statement has been properly compiled on the basis stated.

Yours faithfully

In addition Morgan Stanley, as financial adviser to Paddy Power, has provided a report stating that, in its opinion, the Paddy Power Profit Forecast has been prepared with due care and consideration.

Copies of these reports are included in Parts B and C of this Appendix V. KPMG and Morgan Stanley have given and not withdrawn their consent to the publication of their reports in the form and context in which they are included.

Assumptions

The Profit Forecast has been prepared on the basis of the following assumptions, all of which are outside the control or influence of the Directors:

8 September 2015

Dear Sir or Madam:

Paddy Power plc

We report on the profit forecast of Paddy Power plc (the “Company”) and its subsidiary undertakings (the “Group”) for the year ending 31 December 2015 (the “Profit Forecast”) set out in Part A of Appendix V to the announcement issued by the Company on 8 September 2015 in accordance with Rule 2.7 of the Code (as defined below) (the “Announcement”). The Profit Forecast, and the material assumptions upon which it is based, are set out in Part A of Appendix V to the Announcement. This report is required by Rule 28.1 of the City Code on Takeovers and Mergers (the “Code”) and is given for the purpose of complying with that rule and for no other purpose.

Responsibilities

It is the responsibility of the directors of the Company (the “Directors”) to prepare the Profit Forecast in accordance with the requirements of the Code.

It is our responsibility to form an opinion as required by the Code as to the proper compilation of the profit forecast and to report that opinion to you.

Save for any responsibility which we may have to those persons to whom this report is expressly addressed, to the fullest extent permitted by law we do not assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or in accordance with this report or our statement required by and given solely for the purposes of complying with Rule 23.3 of the Code, consenting to its inclusion in the Announcement.

Basis of Preparation of the Profit Forecast

The Profit Forecast has been prepared on the basis stated in Part A of Appendix V to the Announcement. The Profit Forecast is required to be presented on a basis consistent with the accounting policies of the Group.

Basis of opinion

We conducted our work in accordance with Standards for Investment Reporting issued by the Auditing Practices Board of the United Kingdom and Ireland. Our work included evaluating the basis on which the historical financial information included in the Profit Forecast has been prepared and

considering whether the Profit Forecast has been accurately computed based upon the disclosed assumptions and the accounting policies of the Group. Whilst the assumptions upon which the Profit Forecast are based are solely the responsibility of the Directors, we considered whether anything came to our attention to indicate that any of the assumptions adopted by the Directors which, in our opinion, are necessary for a proper understanding of the Profit Forecast have not been disclosed or if any material assumption made by the Directors appears to us to be unrealistic.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Profit Forecast has been properly compiled on the basis stated.

Since the Profit Forecast and the assumptions on which it is based relate to the future and may therefore be affected by unforeseen events, we can express no opinion as to whether the actual results reported will correspond to those shown in the Profit Forecast and differences may be material.

Our work has not been carried out in accordance with auditing or other standards and practices generally accepted in the United States of America or other jurisdictions and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices.

Opinion

In our opinion the Profit Forecast, so far as the accounting policies and calculations are concerned, has been properly compiled on the basis of the assumptions made by the Directors and the basis of accounting used is consistent with the accounting policies of the Group.

Yours faithfully
